Executive Engineer.

MISCELLANEOUS DEPARTMENTS.

DEPARTMENT OF AGRICULTURE.

MYSORE SERUM INSTITUTE, BANGALORE.

Abstract Notification dated 3rd August 1929.

The attention of public is hereby invited to Notification dated the 3rd August 1929, calling for tenders for the supply of miscellaneous articles to the Serum Institute published in extenso on pages 858 and 859 of Part VI of the *Mysore Gazette*, dated the 15th August 1929 with the following additions:—

"Every tenderer should deposit in the State Huzur Treasury, a sum of Rs. 100 as earnest money deposit towards the tender in favour of the Officer in charge, Mysore Serum Institute, Bangalore and the treasury receipt obtained therefor should accompany the tender, without which the tender will not be considered."

P. PARTHASARATHY,
Officer in charge, Serum Institute.

OFFICE OF THE LIVE STOCK SECTION, DEPARTMENT OF ARICULTURE, BANGALORE.

Notice dated 5th August 1929.

Sealed tenders will be received in the Office of the Live Stock Section, No. 5, Lal-Bagh Road, Bangalore City, up to 31st August 1929, for the supply of feed and miscellaneous articles, as detailed in the enclosed list for the year ending 30th June 1930. The contract will be over by 30th June 1930 from the date of acceptance of the tender and the tenders will be opend on 2nd September 1929 at 12 noon in the presence of such of the tenderers as happen to be present.

Conditions.

1. The tender which should be in the form given below wherein are given the approximate quantity and description of articles required, should state clearly in column 3 of the statement (left blank), the rate at which each article can be supplied at the Forms throughout the year and must be accompanied by a samples of each feed article.

2. Every tender should be accompanied by an earnest money of Rs. 100 in cash. The ... amount will be forfeited to Government, if the tenderer whose tender is accepted

fails to execute the agreement for the due fulfilment of the contract and to furnish security as specified in para 3 below or if the tenderer withdraws from his tender before the acceptance or non-acceptance of is tender is communicated to him. In the case of rejected tenders, the earnest money will be returned.

3. The successful tenderer will be required to execute an agreement within a week from the date of acceptance of tender, binding himself to the conditions of contract and to deposit the amount noted in column 6 as security for the due fulfilment of contract at the end of the period. Supplies will have to commence from 15th September 1929.

4. The rates quoted should include the cost of free delivery at places noted in column 4 against each, and the tenders should be superscribed as "*Tenders for the supply of feed and miscellaneous articles required for the Live Stock Section.*"

5. The Officer in charge, Live Stock Section will indent on the contractor for the articles required twice a month and the contractor should supply the quantity indented for within a week from date of order, at the appointed places and obtain clear receipts in token of the supplies made. The contractor should be prepared to supply any additional quantity that may be required at the contracted rate.

6. The contractor should present his bills once a month for supplies made by him during the month to this office, for arranging payment of the amount due to him.

7. No application from the contractor for any sort of concession whatever in consequence of the rise in the prices of the articles in the market due to scarcity, or other causes or any complaint about the difference of weights shown by the contractor and that accepted by the Farms concerned, will be considered. Only weight indicated by the Farm balance will be final.

8. Should the contractor fail to comply with any of the conditions detailed above, his contract will be forthwith cancelled and the deposit amount forfeited to Government. The Contractor will also be bound to make good any loss which may arise from his failure to supply the articles contracted for, or by Government having to purchase the articles specified in the contract in the local market at higher rates than those contracted for.

9. Final acceptance of the tender will rest with the Director Agriculture, who does not bind himself to accept the lowest or any tender or assign any reason whatsoever for the rejection of any tender.

10. The supplies are to be made according to the approved samples and if not the contract will be cancelled and arrangements will be made to purchase the required articles under the conditions specified in column 8.
